## Flexible finance to suit your business

Hi Rebecca,

I hope you've been well since we last spoke and you're all settled into your new home.

If you're looking to grow your business, buy inventory or upgrade your equipment, I can also help you with asset finance.

As a business owner you would be all too aware that securing finance can be a daunting task. I can help you find the best option, including low document loans, that can be secured against property, to help you reach your business goals.

I have access to a wide range of lenders, offering flexible finance solutions to suit you and your business.

Let me know if you're interested and we can arrange a time to discuss your options.

Thanks,

Cara

## Accelerate your business growth

Hi Rebecca,

I hope you're well!

I was thinking about you and your business recently and wanted to touch base to see if you were thinking of expanding any time soon. We've worked with numerous clients who are juggling the onerous task of managing cash flow while trying to grow their business.

Unsecured business loans are a great option to accelerate business growth and can help you manage expansion. That's where we come in - with access to a panel of lenders, offering flexible finance options that suit you and your business.

I can offer unsecured business loans for import, export, and domestic use with:

- Same day funding
- Borrowing capacity between \$10,000 - \$500,000
- Flexible loan terms between 3 - 34 months, to suit you and your business

Let me know if you're interested and we can set up a time to discuss your options.

Thanks,  
Cara
