*When you refinance through a participating partner and buy a new Home or Landlord insurance policy through us/and are referred by us to Allianz, a discount of up to 10% is applied to your first year's premium including the following optional covers (if available and selected): accidental damage, flood, motor burnout, rent default and theft by Tenant, and only portable contents if selected when you first take out your policy. Not available with any other discounts or offers, and discount does not apply to online purchases. The discount is not applied on renewal. This offer may be withdrawn or changed at any time without notice. Minimum premiums apply. If you are eligible for more than one discount, Allianz applies them in a predetermined order. This means any subsequent discount will be applied to the reduced premium amount after applying any prior discounts and the effect of the subsequent discount will be reduced. For example, the aggregate effect of applying two 10% discounts consecutively means that you will not see the full benefit of both these discounts. Discounts do not apply to taxes or government charges. Discounts do not apply to optional covers for Domestic Workers Compensation / Landlord Workers Compensation, and may not apply to other optional covers (if available and selected). Any discounts/entitlements may be subject to rounding and may only apply to the extent that any minimum premium is not reached.
